ABOUT THE ARTIST:

Ben Mauro is an international musician, who has performed all over the world, in some of the largest venues, with Rock & Roll Hall of Famers **Cher**, **Lionel Richie**, **Don Felder** from the **Eagles**, and **John Fogerty**. He has also performed with other icons, including **Toni Braxton**, **Kelly Clarkson**, and many others. He now performs singing and playing guitar, either acoustic or electric, as a solo singing guitarist or with his cover band.

Ben Mauro & Friends features Ben Mauro on guitar and vocals. He is accompanied by an all-star, rotating cast of musicians from all over the country. Depending on availability, and upon request, Ben Mauro & Friends includes 2, 3, 4, 5, or 6 band members. One of the most exciting aspects of Ben Mauro & Friends is that there is always the possibility that well-known musicians in town, friends of Ben, will make an appearance.

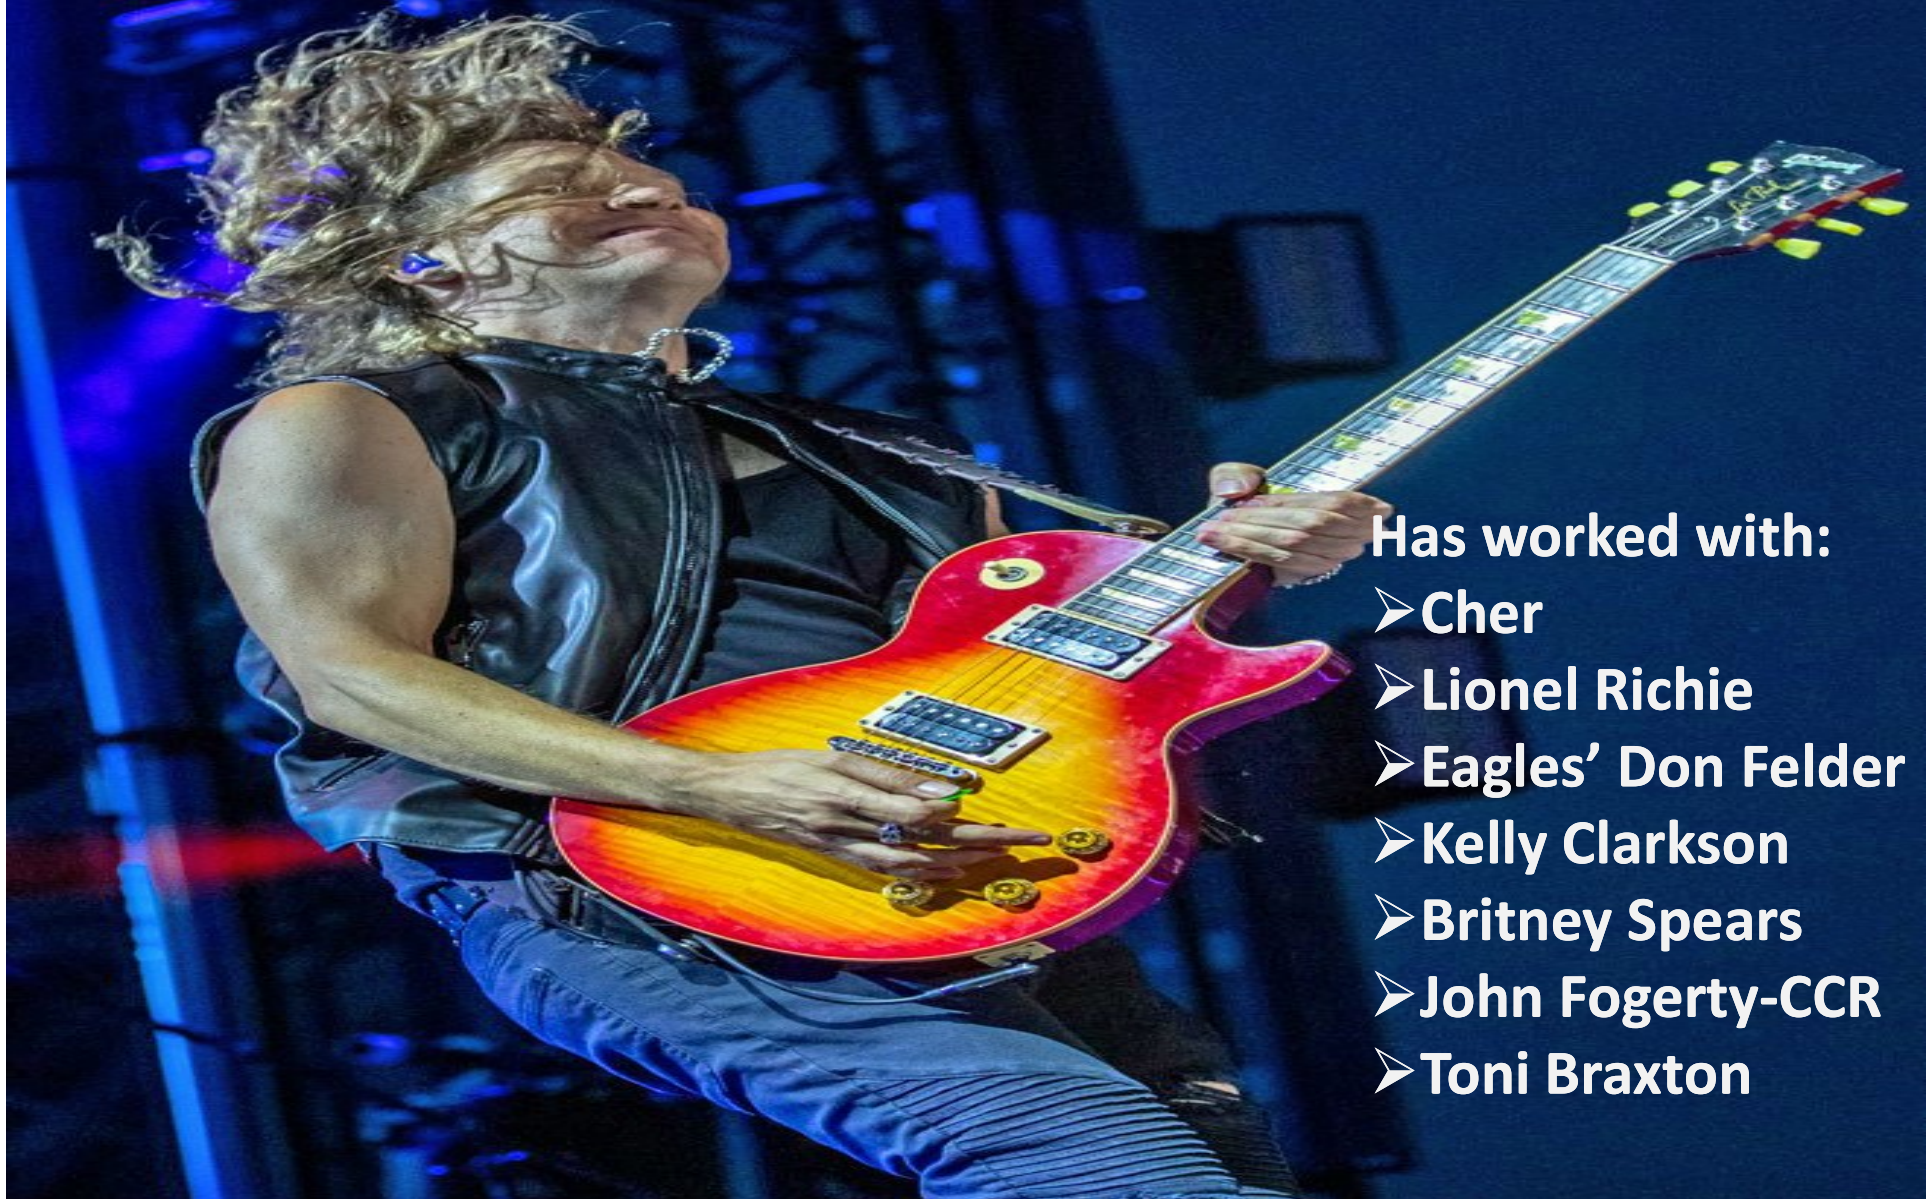

Ben Mauro is also a music teacher, and he volunteers to help veterans learn the joy of playing guitar through the Guitar4Vets program.

Additionally, Ben Mauro is a recording artist, having produced 3 EPs and various other singles, available for streaming and purchase at most music platforms, such as Apple music, Amazon, and Spotify.
